

SETTING UP APPLICATION ENVIRONMENT

Integration with Mailjet (Sendgrid alternative):

The image shows the Mailjet sign-up page. On the left, there is a testimonial from Benoît Del Basso, CTO of My Little Paris, with a photo of him and a woman. The testimonial text states: "Mailjet's solution answers everything we are looking for: the autonomy of a self-service solution offers us complete control over integration and the transparency of the account manager's follow-up." On the right, the "Sign Up For Free" form is displayed. It includes the Mailjet logo, the text "No commitment. No hidden fees.", and fields for Email (karthiv3@protonmail.com) and Password (masked with dots). A "Sign up!" button is present. Below the button, there is a disclaimer: "By clicking the 'Sign up!' button, I expressly agree to the Mailjet Terms of Use and understand that my account information will be used according to Mailjet Privacy Policy." A "Privacy - Terms" link is at the bottom right.

MY LITTLE PARIS

Mailjet's solution answers everything we are looking for: the autonomy of a self-service solution offers us complete control over integration and the transparency of the account manager's follow-up.

Benoît Del Basso
CTO, My Little Paris

The image shows the Mailjet "Setup profile" form. At the top, there is a progress bar with three steps: "Setup profile" (checked), "Billing information", and "Confirmation". The form is titled "Tell us a little about yourself". It includes fields for First name (Karthic), Last name (Vaithialingam), Organization name (Government College of Engineering), Organization URL (gcesalem.edu.in), and Main industry (Studies and Consulting). There is a checkbox for "Subscribe to the Mailjet newsletter to receive emailing tips once a week. You can unsubscribe at any time." At the bottom, there are "Back" and "Next" buttons. On the right, there is a "Your plan" section showing the "Free" plan with 6,000 emails/month and 200 emails per day, and a "Today's total" of 0€.

API Key Management

Create sub-account (API KEY)

With [Mailjet's API](#), you can grant full access to your account or create sub-accounts to separate your mailings across different API keys for easier management, account sharing, and reporting.

Based on your current subscription plan, you are able to create 1 Primary API Key and 1 Sub-account api keys. If you need more, please [upgrade your subscription plan](#) or [contact our Support Team](#)
